

*What is your idea of a perfect day?*

*If you could play a musical instrument at a professional level, what would it be?*

*What was the nicest thing someone ever said to you? How did it make you feel?*

*If you were given a day to do anything you would like, what would you do?*

*If you could have one dream come true, what would it be?*

*Did you help someone today? How?*

*Name three things you are thankful for.*

*If you were an ice cream cone, what flavor would you be? Why?*

*If you could be like someone you have personally met (other than someone in our immediate family), who would it be and why?*

*Tell one kind thing someone did for you today. Name one kind thing you did for someone else. How did either one make you feel?*
